

Addiction and Co-Occurring Services

New Vitae Wellness and Recovery offers three unique levels of care for mental health and substance abuse:

- » Partial Hospitalization
- » Intensive Outpatient
- » Traditional Outpatient

We offer weekly three-day and five-day programs.

- **Personalized attention:** Our team of professionals is highly qualified and diverse.
- **Small, relaxed environment:** Our setting is calm and reflective.
- **Integrated Psychiatric services:** In house physicians provide psychiatric evaluations and medication management.
- **Individual, family, and group therapy:** Master's level clinicians and certified addiction counselors provide direction and hope.
- **MAT:** We offer Suboxone, Naltrexone, and Vivitrol treatments.
- **A wide range of insurances accepted:** Medical Assistance, Magellen, Aetna, Capital BC, UBH, Highmark, Choice Plus, Personal Choice, Keystone East and others. Be sure to inquire.
